

GARDE MANGER

Ogre Warrior

NAME: _____

PLAYER: _____

You wouldn't say you're AFRAID of fire, exactly. It just spooks you a little is all. It brings back memories of the bad times back in your village, and makes you all nervous and angry. Sometimes you get so mad you can't keep it inside anymore and it all comes out with a giant roar and a blur of action. Those can be bad times. But mostly, you just guard this pantry door and make sure the food stays safe and sound so you can make pretty little canapes, pates, and salads. Nice, harmless, cold dishes. On special occasions, you make elaborate edible centerpieces of thriving orc villages for the buffet table, and all is right with the world.
