

COMMUNARD

Djinn Healer

NAME: _____

PLAYER: _____

You live to serve the group, and are more than happy to stay out of the spotlight if it means that everyone succeeds. You're the one person that your party members want with them in every situation, because they know you'll have their back, and will take care of them when they are in need, providing food, medicine, and care. Being such a dedicated teammate means that sometimes you have to make sacrifices, but you're willing to put yourself second in order to help your party. This doesn't mean that you're a doormat. You've been known to speak your mind to people who take advantage of you, and you have no tolerance for those who act dishonestly or betray their friends. That type of person can fend for themselves and fetch their own dinner.
