

FRITURIER

Human Gunslinger

NAME: _____

PLAYER: _____

You're the kind of person that likes to work with their hands and make things with whatever happens to be lying around. As a chef of the common people you believe that things don't need to be pretentious to be delicious. An onion can make people cry, but there's never been a vegetable that can make a people laugh. Who would want a fancy-pants souffle with an herb garnish when they could have a good ol' fried steak and egg? No one who ain't up to no good, that's who! You figure that a lot of other people overthink what they do and what they cook. There's no reason to worry about biting off more'n you can chew – your mouth is probably a whole log bigger'n you think.
