

POTAGER

Frog Witch

NAME: _____

PLAYER: _____

You are a bit of an odd duck. The things you do, the way you act, and the flavors you mix aren't exactly 'traditional' -- because, why should you do anything just because everyone else does it? When you see the crowd going one way, you purposefully go the other direction, just to see what's there. Does this get you into trouble sometimes? Sure. You've made your share of herring milkshakes and peanut butter and haggis sandwiches. But, it's worth a few mishaps if you can make something original and--even better--all your own. And, more often than not, going against the current leads you to exciting places and unexpected experiences that most people would never imagine!
